## **PILLOWS, CUSHIONS AND BOLSTERS**

More than bedroom or living space accessories, designer pillows and cushions are nuanced design pieces in their own right. Blending comfort with sophisticated aesthetic details, luxe bolsters, pads, and throw pillows offer tactile and visual stimulus. Refined leather, silk, and jacquard cushions contribute stylish statements, while plush, velvet, and down-filled pillows add warmth to a variety of indoor and outdoor spaces. Available in a range of decadent prints, appealing textures, and standard and unique sizes, designer pillows and cushions enrich the experience of home.

## FILLED PILLOWS

Our exclusive pillows are designed for your size, shape and sleeping position.

Easy Care: Refluff or shake as needed to maintain even distribution of fill.

Machine wash warm with mild detergent in commercial-size front-loading washing machine. Tumble dry low for minimum 2-3 cycles to ensure filling is completely dry.
